

# Our Heritage Lives On–In You!

**Introducing the National Italian American Foundation Walk of Honor.  
Always be remembered as part of the foundation of the Italian American community.**

The National Italian American Foundation (NIAF) has served as a pillar for the Italian American community for nearly 35 years. In that time, NIAF has devoted itself to preserving the rich history and heralding the innumerable contributions of Italian Americans. NIAF’s efforts have paved the way for many Americans of Italian descent to realize their dreams academically, artistically and culturally while contributing to the tradition of our great heritage. It is without a doubt that Italian Americans have solidified their place as a fundamental building block of this great nation. With your generous contribution, you can become part of that building block at NIAF’s headquarters in Washington, D.C. Your purchase of a custom commemorative brick, to be placed directly at the entrance of the building where business and political leaders pass, serves as the symbol of the Italian American community in Washington. It will be a permanent icon of you and your family’s contribution to the preservation of the Italian heritage.

In the spirit of NIAF’s efforts to maintain a permanent part of the Italian American legacy, your specially engraved brick will stand as part of the emblem of strong Italian pride. Your brick will help NIAF fulfill our important mission and continue to serve as the voice of Italian Americans in the nation’s capital.

**Complete all information below, including inscriptions you would like engraved on your special brick.**  
Please note that spaces and punctuation count as a character. Remember you can always purchase another brick!
